ORGANIZATIONAL CONTEXT

Adeso is an expanding and vibrant African based international development and humanitarian organization. At Adeso, we work with African communities who are yet to realize their full potential; working inside these communities to create environments in which Africans can thrive. Our belief that economic, social and environmental security is the bedrock of a healthy community drives the nature and intent of our programming. We work to prevent and overcome situations that adversely affect community well-being by: reinvigorating the economy, developing skills for life and work, providing humanitarian aid, and influencing policy.

For the past 20 years we have strengthened rural livelihoods through environmental awareness, training, technology transfer and innovative humanitarian projects in pursuit of a peaceful, self-reliant, and greener future. Currently, Adeso has programs in Somalia, Kenya and South Sudan.

Adeso is an exciting and dynamic organization experiencing managed rapid growth. It offers sound employment conditions with opportunities for personal growth and development.

POSITION SUMMARY

Adeso is seeking four (4) qualified and committed individuals to join the Adeso team as Community Mobilizers (CM). The incumbents will be the project ambassadors in the community and responsible for community engagements, networking and collaboration, conflict resolutions and general community awareness and education. Given the high risk of disaster in the project area, disaster risk reduction will also be an underlying theme of this project as well as a major component. Awareness sessions will be provided to the whole community on ways to mitigate the potential effects of drought and other livelihood-related disasters with the aim of strengthening the livelihood capacities of affected communities and support to increase household incomes by addressing food insecurity and alternative livelihoods in Mudug regions.
