

INVITATION TO TENDER (Extension of Deadline)**Subject of Tender:****REHABILITATION AND UPGRADING OF DR. AYUUB STADIUM IN BAIDOA****Introduction**

Adeso is a humanitarian and development organization that is changing the way people think about and deliver aid in Africa -We are an NGO in Africa working in a very different way than most. We believe that development must come from within, not outside African communities. That it is Africans themselves who must determine Africa's future, and that while international aid has provided much-needed support, it often falls short of enabling lasting change at grassroots level. We want to change this, and our strong bonds with African communities mean we are uniquely placed to do so.

Adeso has multiple programs in Somalia and has implemented large-scale cash-based response and livelihood projects as well constructions projects including Shallow ground water wells and Borehole Projects.

This *"Invitation to tender"* is for the **Rehabilitation and Upgrading of Dr. Ayuub Stadium** in Baidoa – Bay Region, Somalia. **With Subject to donor approval and funding availability**, Adeso wishes to invite qualified interested construction and rehabilitation companies legally based in **South West State** of Somalia to participate in the tenders for:
